**& Political WEEKLY**

**Rural Income Poverty**  
Despite its limitations and biases of underestimation, the data from the Situation Assessment Survey of Agricultural Households suggest that at least 79 million households remain extremely income poor in rural India. page 13

**Cuban Family Code 2022**  
The formulation of one of the most progressive and inclusive family codes in the world through a participatory process, is a major step towards the democratization of family and society. page 20

**Meeting China, Defying the US**  
As Germany has begun to assert its strategic autonomy to achieve its core interests, it cannot be taken for granted that it will remain tethered to NATO and US strategic goals forever. page 10

**Grants to Local Bodies**  
The stringent conditionalities imposed by the Fifteenth Finance Commission threaten to reduce allocations at the states may not comply with the condition. page 8

**Longitudinal Ageing Study in India**  
Findings from IAS Wave-1, the first nationwide population-based study of older adults aged 45 and above offer comprehensive new insights on the health, social and economic well-being of the older adult population. page 30
