

**Report of the Seminar and Invited Lecture jointly Organized by the Department of  
Mathematics, Geography, Zoology, Botany, Chemistry and Physiology  
Netaji Nagar Day College**

\*\*\*

Department of Mathematics, Geography, Zoology and Botany were jointly organized a One day seminar on "Island Ecology & Environment Management: Sundarban Chapter" on 31st January, 2019. Dr. Sujay Kr. Nayek was the convener of the seminar which was held on 31<sup>st</sup> January, 2019. The seminar had been completed successfully under the guidance of Dr. Chanchal Guha Roy, IQAC Coordinator, active co-operation and fruitful suggestions of other teachers and non-teaching staffs of the above mentioned departments. The seminar was inaugurated by the Principal Dr. Sonali Banerjee Jash, Netaji Nagar Day College. Prof. Malay Mukhopadhyay, Department of Geography, Institute of Humanities & Social Sciences, Visva-Bharati, Santiniketan was the Key note Speaker of the seminar. Other honourable speakers were Sri Sanat Kumar Purkait, Assistant Professor, Department of Geography, Raidighi College, Smt. Saswati Roy, HoD & Assistant professor, Department of Geography, Sarsuna College and Sri Umashankar Mondal, Assistant Teacher, Jangipur High School, Jangipur, Murshidabad; Member of "Bhugol o Paribesh" Magazine.

On the other hand, an invited lecture on "Nano Bio-Science: The Science of Tiny Things" was jointly organized by the Departments of Mathematics, Chemistry, Zoology, Botany and Physiology on 9th March, 2019. Dr. Nimai Mishra, Department of Chemistry, SRM University, Amravati, Andhra Pradesh was the honourable speaker of the second seminar. The seminar was inaugurated by Dr. Chanchal Guha Roy, IQAC Coordinator, Netaji Nagar Day College. Dr. N. Mishra delivered a fantastic lecture which was full of important information.

The aim of the seminar and invited lecture was to focus on the recent topics especially on environments, uses of quantum dots where we see the applications of Geography, Mathematical Science, Zoology, Botany, Chemistry and Physiology and also to discuss about the recent developments and exchange of information in the fields of Geography, Mathematical sciences, Zoology, Botany, Chemistry and Physiology as well as in related areas.

Head of the organizing departments Dr. Barnali Dutta, Department of Mathematics, Sri Suman Das, Department of Geography, Dr. Krishna Gangopadhyay, Department of Zoology, Dr. Bhumika Pradhan, Department of Botany, Dr. Kazi Sabnam Banu, Department of Chemistry and Sri Nadim Haider, Department of Physiology had made a great effort to make these events successful.

First, second and third year students of the respective departments had participated the seminars. Many distinguished personalities of this college were also present there.

The valedictory session was chaired by Dr. Chanchal Guha Roy. The speakers and participants were in their opinion that the seminars were well-organized both in academic as well as on the part of hospitality. Finally, Dr. Sujay Kr. Nayek and Dr. Krishna Gangopadhyay expressed their gratitude and gratefulness to the funding agency of Netaji Nagar Day College, college authority, faculty members, non teaching staffs & student union members, students and the participants of the events for their active cooperation. Last but not least, the guidance cooperation and inspiration from our Principal deserves a special note of appreciation.
